

## **SCRIPS IS BACK BY POPULAR DEMAND!**

*How would you like to be able to purchase gift cards for all of the places you shop and have Anne M. Jeans and BRMS earn 2 – 10% each purchase?*

The SCRIPS program does just that! This is similar to the MANNA program we offered several years ago. Many of you have asked us about it – so it's back.

### **How does it work?**

Complete the form available at our website ([ccsd180.org](http://ccsd180.org)), or through the school office. These will also be distributed weekly for three weeks prior to the sale.

- Place a quantity by the items you would like to purchase.
- Enclose a check for the complete amount of the purchase, made out to "CCSD 180."
- Return the form and check to either school's office by the date indicated on the form.
- Within two weeks, your gift cards will be delivered to chairperson, Helen Bell, and will be available for pickup at school.

### **When can I purchase**

We will be selling gift cards three times this year: fall – in time for holiday delivery; February; and April.

### **Why would I do this?**

This benefits your school!! Plus, SCRIPS is a really convenient way to stay on top of holiday gift-giving, birthday gifts, teacher gifts – and is a wonderful way to pay for all the places you shop at yourself!

**Give SCRIPS a try! Save time and help our children!
