Classroom News

Next week, we will be reading the story *Chinatown*. The focus skill for this story will be to identify details and using these details to retell the story. The grammar skill will be using the verbs has, have, and had. For next week in spelling, we will focus on words that contain –er and –est. Mrs. Brann's reading class will be focusing on words with –ew and –ow for spelling.

In math, students will

continue working in Chapter 14: Time. We will practice telling time to the hour, half hour, 15 minutes, and 5 minutes. Students in Mrs. Brann's class will work in Chapter 12: Money. Students will count coins and work with change from a dollar.

We have just started our Science Unit on Space this past week. In this unit, we will discuss in detail the planets in our Solar System.

Since spring is here, we will go outside for recess every day (weather permitting). Please remember to send your child in appropriate clothes.
