

Burr Ridge Community Consolidated School District #180 Policy Manual

Policy 6:350

Instruction

Class Size

The Board will consider hiring additional staff when informed by the Superintendent that class size in a specific grade level warrants Board consideration of intervention. In that event, the Board will consider whether the hiring of additional staff is in the best interests of the students and the district, subject to budget constraints, composition of particular classes, applicable law or regulations and other relevant facts.
