Dear Parents,

In accordance with the ESEA Section 1111(h)(6) "Parents Right-to-Know", every parent in a school receiving federal Title I funds must be notified that they have the right to and may request information regarding the professional qualifications of your child's classroom teacher. This federal law allows you to ask for certain information about your child's classroom teachers. Specifically, you have the right to ask for the following information.

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas for which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which State qualifications or licensing criteria have been waived.
3. The teacher's college major, any graduate certification or degrees the teacher has, and the field of discipline of those certificates or degrees.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time your child has been taught for four or more consecutive weeks by a teacher not highly qualified, the school will notify you. If you have questions, please feel free to contact me at the number above.

I do want to let you know that this notification is mandated by the law. I am happy to report that all of the teachers and aides at ALL Burr Ridge C.C.S.D. 180 schools do meet State qualifications. I believe that we have an outstanding staff and that they do a tremendous job educating our students. However, should you have any questions regarding qualifications, please be sure to let me know.

Sincerely,

Tom Schneider, Ed. D.
Superintendent
