

(All Students/One Per Family)

Burr Ridge Community Consolidated School District 180

Student Supply Compact

This compact serves as an agreement between the families, the students and the Board of Education in District 180.

THE BOARD agrees to provide the required school supplies for all students attending District schools for the 2017 - 2018 school year.

EACH STUDENT agrees to care for these materials according to the Universal PBIS Statements (Be Respectful. Be Responsible. Be Engaged.) This includes ensuring items are not lost, damaged, and used until they are no longer functioning before a replacement is received. In this way, each student demonstrates that they are becoming good stewards of both their resources and their environment, which is an educational goal of our District.

EACH FAMILY agrees to support the District 180 family partnerships in the following ways:

- ✓ Attend parent-teacher conferences (November 20-21).
- ✓ Ensure their student(s) attendance and being on time to school maintains 95%.
- ✓ Checks online grades weekly through www.ccsd180.org
- ✓ Attends one event sponsored by the District or the Parent Teacher Organization annually.
- ✓ Attend a grade level event this school year for your student(s) grade level.

The goal of this compact is to outline responsibilities of all stakeholders crucial to each child's success and to hold all parties accountable for actions that will ensure each child exits District 180 prepared and supported for the rigors and challenges of high school, college, and career.

Dr. Tom Schneider, Superintendent
